Dear George:

As we discussed during your visit, we have a number of odds and ends of cost authorized under the contract, which do not conveniently fall under system headings and no format has been provided for billing these costs. We would like to bill them all under the heading of "Costs Applicable to All Systems". Billings for the following items would be included on such a voucher:

Antenna Installation  
Equipment for Field Site  
Unit Essential Equipment  
Data Reduction Equipment  
Training Programs

When the proposals are forwarded and payment authorized, the costs of aircraft service and system evaluation would also be billed under this heading.

We will plan to forward vouchers on this category of items commencing June 1st, unless you advise us differently.

Sincerely,

25X1A

Bob
